

Governor Attendance Record

It is a statutory requirement to publish the attendance record for each governor for the previous academic year. Below is the attendance record for the period September 2015 - August 2016 (number of meetings attended/number of meetings held).

Note: Not all governors are members of sub-committees. Governors may leave or join the Governing Body or any of its committees at any point during the year, and absence may be agreed in advance under certain circumstances.
