

Results 2015

We would like to congratulate our Year 11 students on their fantastic GCSE examination results. Students worked extremely hard to achieve these results and should be very proud of their achievements. Our results have improved for the main measure of 5 or more GCSE A* - C grades with English and mathematics. We are delighted that 63% of our students have achieved this benchmark. As always, there were some remarkable individual performances with 43 students achieving five or more GCSE A* – A grades.

We would like to thank students and staff for all of their hard work and parents for their unfailing support.
