Dear Parent/Carer

Re: GCSE Mock Examinations Monday 6 to Wednesday 8 March 2017

In preparation for your daughter's GCSE examinations next year, she will be sitting mock examinations during the above time period. This is a 'trial run' for your daughter and will help to prepare her for the GCSE examinations she will take next summer.

Your daughter has been given a copy of the mock examination timetable in order that she can plan her revision. A second personalised timetable showing room and seating details will be provided after half term. Subject teachers will advise students of the date and time of their examinations and what equipment they will need to bring to their exam. We have limited spare equipment and are only able to lend this to students if there is a problem with their own equipment during the exam.

Your daughter must arrive at the back of the Sports Hall by the 'arrival time' shown on the timetable. This will ensure a prompt start to the exam. Please note that some afternoon exams will finish later than 3 pm, this is in common with GCSE examinations. Your daughter should not go to registration if she has an exam that states the arrival time as 8.30 am or for any of the afternoon exams.

Students with access arrangements will receive full details of their venues when they receive their personalised timetable after half term.

The normal college timetable will continue throughout the mock exam period and students will be expected to attend all lessons when they are not taking an exam.

Yours faithfully

Matthew Dean
